

TAMWORTH U3A AMBLING GROUP

Kingsbury Water Park

Broomey Croft Entrance

27th July 2026

Dear Amblers

Our next amble is on Tuesday 4th August 2026 at 10.30am at the tranquil and beautiful Broomey Croft part of Kingsbury Water Park, Bodymoor Heath Lane, B76 ODY. This venue can be approached via Fazeley on the A4091, then turning left into Bodymoor Heath Lane, or via Wilnecote/Dosthill A51, taking a right turn out of Kingsbury Village onto the A4097 then taking the first right turn onto Bodymoor Heath Lane.

Kingsbury Water Park has two entrances which are a short distance apart. For this amble take the entrance signposted Broomey Croft (not the Main Entrance). When you have turned into the Broomey Croft Entrance follow the road and continue to Broomey Croft Car Park, ignoring a turning to the left, which goes only into the Caravan Club holiday park.

This amble is for one hour, on firm, level paths around pools and through woodland. Parking is £3.50, payable by card only, not to be confused with the parking charge in the main section of the water park, which is more expensive. Toilets adjacent to the car park. Meet in the car park.

The lunch venue is The Malt House at Cliff, on A51, Tamworth Road, B78 2DL. This pub does excellent food and has a large, varied main menu plus an optional Lite Bite lunch menu. I have reserved a provisional number of places for lunch and the pub staff have agreed for the final number to be phoned from the amble on the day, so just tell me when you arrive at the amble if you want to go to lunch. Everyone welcome.

Looking forward to seeing you.

Chris Parkes
