

TAMWORTH U3A AMBLING GROUP

25th August 2026

Dear Amblers

By popular request our next amble is on Tuesday 1st September at 10.30am at Pooley Country Park, Pooley Lane, Polesworth, B78 1JA. Meet in the main car park. Parking is £1.50 for up to 1 hour but most of us are likely to be there for more than an hour. Parking for up to 2 hours is £2.50 or whole day £3.50. Payment at the car park machines is by card only. You will be asked to put your car registration number into the pay machine. There are toilets adjacent to the car park, including wheelchair accessible ones and there is disabled parking beside them.

This amble will be led by ambling group member Chris Joynson and is for one hour. We will set off from the main car park along the woodland path past the lakes (a Site of Special Scientific Interest) and return along the canal towpath. The only significant slope will be up from the canal tow path. The remainder of the walk is on level ground, but there are some tree roots across the path in the woods. There is a flat, more direct route back, straight along an obvious path, for anyone who wishes to take that route instead. It is the same walk as last year but in reverse and those who did the shorter walk last year will see the rest of it. The paths may be muddy after rain.

The lunch venue is The Wolferstan Arms, Main Road, Shuttington, B79 0DP.

I have given the pub staff a rough idea of the number attending. Please let me know when you arrive at the amble if you wish to go to the lunch. The Wolferstan Arms opens at 11.30am. Everyone welcome.

Looking forward to seeing you.
